

# Plastic Covered Document

The image shows a severely damaged manuscript page. The text is written in a medieval script, but is almost entirely obscured by large, dark, irregular stains and marks. The visible text is arranged in two columns. The left column contains text that is mostly illegible, but some words like 'd' and 'm' are visible. The right column contains text that is also mostly illegible, but some words like 'm' and 'm' are visible. The overall appearance is one of extreme age and significant wear.
